ICC POLICY COMMITTEE TO DISCUSS VOICE OVER INTERNET PROTOCOL

The Illinois Commerce Commission's Telecommunications Policy Committee will meet at 2:30 p.m. Tuesday, March 2 to discuss regulatory issues associated with emerging technology, Voice over Internet Protocol (VoIP) services.

The meeting will be held in the Commission's main hearing room on the eighth floor of the State of Illinois Building, 160 N. LaSalle Street.

ICC Chairman and Telecommunications Policy Committee chairman Ed Hurley has invited representatives of Vonage, SBC, Comcast, Level 3 and the Citizens Utility Board to offer perspectives on VoIP.
